Porting from TVHS

- TVHS will help you find a Housing Authority in the receiving are jurisdiction that administers a Housing Choice Voucher program.
- You will not be permitted to move outside of our jurisdiction under portability during your first year of assistance.
- You also cannot move if you owe money to TVHS for a back charge
- Income Limits for TVHS are not used for eligibility in the new location.
- If you wish to ask for portability, you should request this at your annual appointment. There is a form that must be completed at that time.
- You must furnish TVHS with the name and address of the receiving PHA. We will contact that housing authority to determine if you can move to their area and still receive voucher rental assistance. **Portability is not guaranteed.**
