### RAD Conversion Resident Meeting July 7 at 9:30AM & July 9 at 2PM

We are excited to share that we have officially received HUD's approval for the OneFiveNine Apartments RAD (Rental Assistance Demonstration) conversion. This is a major milestone for Tennessee Valley Housing Services and brings us one step closer to making significant improvements to our properties. We know many of you have been patiently waiting for updates, and we are thrilled to finally begin moving forward. To help keep everyone informed, we will be hosting resident meetings to discuss the project, answer questions, and share important information about what you can expect throughout the redevelopment process. We hope you will make plans to attend one of these meetings
