Community Newsletter

Food Pantry Available

Our Community Resource Center Food Pantry at 1149 Kennedy Cir. is available for residents.

If you need a little extra help with groceries, please stop by! If you know a resident who could benefit, please help us spread the word. We're here to support our community!

Lawn Maintenance

It's time for spring lawn maintenance! Keep yards free of trash, toys, and other items to allow mowers to complete their work. Store toys and miscellaneous items inside the apartment when not in use. Note that toys are not allowed to be stored on community playgrounds and may be removed. When grilling, ensure you're at least 25 feet away from the building to prevent damage from heat or flames. Always store grills properly on the front or back porch when not in use.

Reminder:

Residents are reminded to please check your mail regularly. Important notices with time-sensitive deadlines could be missed.

Informed delivery with the US Postal Service is a useful resource to notify you of expected mail.

Please remember that no wipes of any kind—including baby wipes, disinfecting wipes, makeup wipes, and "flushable" wipes—should be flushed down the toilet. These products do not break down like toilet paper and can cause severe plumbing blockages, leading to costly repairs and potential damage to the building's plumbing system.

To help maintain a smooth and functioning sewer system, please dispose of all wipes in the trash. Your cooperation is greatly appreciated in keeping our community's plumbing in good condition.

TVHS TRASH TRUCK RUNS every MONDAY

This is a service provided by TVHS to help residents dispose of large items such as televisions, couches, washers & dryers, etc. Lately, small items such as pizza boxes, bags of trash, etc. have been placed at the street. Please be aware that smaller items must be disposed of in the household trash can furnished by the City of Morristown. TVHS will no longer pick-up small items. If small items are placed at the street, you may receive a maintenance charge for pick-up. After the City empties your trash can, please return the trash can to your unit. Do not leave trash cans at the street from week to week.

Large items for TVHS pick-up should be placed at the curb from Sunday afternoon to no later than 7 a.m. on Monday morning. Do not place the large items at the street after 7 a.m. on Mondays. The trash truck will make one pass through each neighborhood and anything placed at the street after this time will result in a maintenance charge to your household.

IF LARGE ITEMS ARE PLACED AT OR NEAR YOUR UNIT AFTER THE DESIGNATED TIMES, YOU WILL BE CHARGED. IF A NEIGHBOR IS PLACING THINGS IN FRONT OF YOUR UNIT, CALL THE OFFICE AND FILL OUT A COMPLAINT FORM TO PREVENT BEING CHARGED.

If a holiday falls on a Monday, the TVHS trash truck will run on Tuesday.

Tennessee Valley Housing Services does not furnish or repair the City provided trash cans. If you need a trash can, recycle bin or have one that is in need of repair, please contact: The City of Morristown Public Works Department at 423-585-4658.

What Attracts Cockroaches in Your Home?

Ample of Moisture

The number one thing that attracts roaches to a home is an ample amount of moisture. It is one of the necessities for pests like cockroaches to thrive and survive.

Easy Access

Do you know that rats and cockroaches are masters when it comes to sneaking in a premise through a small opening or crack? So, if you are offering easy access to cockroaches, will they say no?

Dense Landscaping

Do you think cockroaches will enter directly your home? No, many times, they make an entry first in your dense garden because they get all they want there like water, shelter, and food.

Cockroach Prone Location

The second thing and the most common factor that may make your house more vulnerable to cockroach infestation despite you keeping it clean is its location.

Food Sources

Another main thing that attracts cockroaches to a home is food. When they find ample amounts of food sources at a place, these pests prefer hiding and staying there for an extended period.

Cluttered and Neglected Areas

Last and the most neglected reason for which cockroaches often infest a house is a neglected area or area with some clutter.

What is considered an emergency work order?

AFTER HOURS emergency number 423-273-2489

Filter Changes & Smoke Alarms

TVHS staff will change filters each month. Filter changing will begin on the second Monday of each month and be completed by Friday of the same week. No personal items may be stored in the mechanical closets. During filter change, smoke alarms will be checked as well as the overall condition of units. Housekeeping and any lease violations will be noted.

Please remember all TVHS properties are smoke free!

Pest Control

All TVHS units will receive Pest Control treatments in the months of March & September. These semi - annual treatments will begin on the second Monday of the month and be completed by Friday of the same week. No units will be excluded from the March & September treatment schedule.

Additional Pest Control Services will be on a call-in basis.

Call-In treatments will begin on the second Monday of each month and completed by Friday of the same week. Call the office by 12:00 p.m. on Thursday to have your unit scheduled for the following week.

FROM THE DESK OF THE
EXECUTIVE DIRECTOR

——— *August* 2026 ———

Dear Friends,

As summer begins to wind down and a new school year approaches, we know many families are busy preparing for the weeks ahead. From shopping for school supplies to settling back into routines, this time of year is always filled with excitement and anticipation. We wish all of our students, teachers, and school staff a wonderful and successful school year!

As you prepare for back-to-school season, don't forget that our Community Resource Center has a limited supply of school supplies available for residents. If you need a little extra help checking off those school supply lists, we encourage you to stop by and see what is available. We are excited to share that the momentum continues for the OneFiveNine Apartments RAD (Rental Assistance Demonstration) conversion. Following HUD approval and our recent resident meetings, we are now preparing for our anticipated closing this fall. Shortly after closing, construction will begin, bringing long-awaited renovations and improvements to our communities.

We know that change can bring questions, and we remain committed to keeping every resident informed throughout the process. As we move closer to construction, we'll continue providing updates through newsletters, Facebook, resident notices, and community meetings. Our goal is to make this transition as smooth as possible while creating refreshed, updated homes and communities that you can take pride in for years to come.

As always, please take a few moments to read through this month's newsletter. Inside you'll find important notices, upcoming events, resident resources, and opportunities to stay involved in your community.

Thank you for being a valued part of the Tennessee Valley Housing Services family. We appreciate your patience and support as we continue investing in our communities and building a brighter future together.

All my best,
Sean Gilbert
